It will include, but not be limited to, successful entrepreneurs, innovators, angel investors, venture capitalists, non-profit leaders, and other experts on these issues. The Council will identify and recommend solutions to issues critical to enabling entrepreneurs and firms to successfully commercialize new ideas and technologies into high-growth, innovation-based businesses and create new jobs. It will also serve as a vehicle for ongoing dialogue with the entrepreneurship community and other stakeholders.

Any NACIE expenses shall be paid from Department funds available for the expenses.
- 7. ESTIMATED ANNUAL OPERATING COSTS AND STAFF YEARS.** The estimated annual operating cost of NACIE is approximately \$25,000, which includes 0.5 person years of staff support. Members of NACIE shall serve without any compensation for their work on NACIE. No travel expenses will be reimbursed.
